Due to the fact that most of the CoC agencies will be in active services during and following the flooding and storms from Hurricane Florence, the September CoC meeting scheduled for September 18, 2018 is cancelled. I have attached the minutes from August meeting. If agencies have updates to share, please use this email list. I have attached Hospitality House, public announcement as the CoC Lead, per Hud guidance, so you are aware of the services available for people displaced by the storm. Stay safe and send emails if you have announcements.
