

Mental Health / Substance Abuse Therapist Needed

Hospitality House of Northwest North Carolina is seeking a part time mental health and substance abuse therapist to provide therapy services to those served through our programs.

Clinical Mental Health Counselors, Clinical Social Workers, Marriage and Family Therapists, Psychological Associate and Clinical Addictions Specialists licensed in the State of North Carolina are encouraged to apply with a strong preference for the ability to work with both mental health and substance abuse. Provisionally licensed associates may be considered as long as supervision is already in place.

Candidates should be trauma informed, flexible and open, consistent, reliable, able to maintain appropriate documentation, and have a desire to work with those served through the various programs of Hospitality House.

The position is 24-28 hours per week.

No insurance filing required. All counseling is free and voluntary.
